

Noon Wall Mirror

Media Release

A graphic and bold mirror presented with a striking combination of materials and primitive form. The Noon Collection is a series of mirrors, tables and upholstered lounges, subtly exploring the passing of time.

The Mirror is set back slightly from the frame separating the two forms and defining a tension between two surfaces. Framed in three alternating rings of timber in a Walnut, Rock Maple and Walnut combination. The timber defines a rich finish partnered with the highlight of the center Rock Maple ring.

The mirror is available in three finishes, Clear, Bronze and Black and a combination of all these finishes in the Noon Tri-Cut configuration. The Tri-Cut is referenced throughout the Noon Collection, showcasing different finishes seamlessly in unity. Each mirror is 800mm DIA and is supplied complete with a strong, easy to assemble wall-mounting system.
