

Noon Table

Media Release

Bringing lightness and balance to a collection of rich, cohesive materials. The Noon Collection is a series of mirrors, tables and upholstered lounges, subtly exploring the passing of time. Graphic in nature, the Noon Tables offer striking material combinations confined within an outer ring. The top is contained within half-milled legs creating a tension and lightness between the surfaces.

The Noon Tables are available in two sizes, 500mm DIA x 450mm high and 1000mm DIA x 350mm high. The top surfaces are available in a variety of finishes including Timber Veneer, Marble, Laminate and Mirror framed all with a 3mm MS solid edge. The table frame is available in Black Ace or White Powder Coat with alternate colours available upon request.

The table series is also available in the Noon Tri-Cut finish of Marble, Black Glass and Walnut. The Tri-Cut configuration is referenced throughout the Noon Collection, showcasing different finishes seamlessly in unity.
